UPSON COLLEGE 1984

Ursinus College **1984**

Collegeville
Pennsylvania

Founder's Day 1983

Distinguished scholars converged on campus on November 5th for a colloquium marking the 400th anniversary of the death of Zacharias Ursinus. Following the Founder's Day convocation the commemoration of Zacharias Ursinus was concluded when a statue of the College's namesake was unveiled outside of Bomberger Hall.

We work towards our future, while we play in our youth.

The Ursinus Homecoming Celebration for 1983 took place on October 22. Homecoming nominees and their escorts were as follows: (clockwise) Representing Alpha Phi Epsilon are John Boyd and Pamela Blodgett, representing Alpha Phi Omega are Scott Scheffler and Lori Andrews, representing Beta Sigma Lambda are Peter Robinson and Katie Freeman, representing Delta Mu Sigma are Hunter Mills and Teresa Lozinger, representing Delta Pi Sigma are Brian McIlhenney and Carol Krajewski, representing Sigma Rho Lambda are Skip Ferraco and Birgit Klett, and representing Pi Omega Delta are Charles Bove and Nikki Zimmerman who was crowned the 1983 Ursinus Homecoming Queen.

"A Man Not Soon Forgotten," trumpeted *The Ursinus Weekly* when, in the Fall of 1970 Dr. Donald Lawrence Helfferich retired as President of Ursinus College.

It might seem possible to members of the Class of 1984 that they have not truly encountered the late Chancellor, but his Ursinus profile is more imposing than a Mt. Rushmore carving.

Every time you attended a class, sat to dinner, visited a dormitory, watched a sporting event, negotiated a scholarship, shared a forum, trafficked at the Dean's Office, sobbed through a CMP course — you encountered an Helfferichian legacy. He bought, bartered, bulldozed, built and otherwise conducted his works of campus construction and curricular change in ways no longer very possible to the individual leader.

Graduated in 1920, he returned as member of the Board of Directors by 1927, became Vice President in 1936 and President in 1958. In 1970 he was named the college's first Chancellor. Dr. Helfferich's list of credits is as long as his colorful, creative life.

The credits are posted elsewhere. Let the RUBY show that during the senior season of the Class of 1984, two campus legends seem to have toppled to the winds of change. The gnarled, concrete-rodged end zone tree may live on — less visibly for awhile — through its cuttings. Dr. Helfferich will continue *very* visibly.

It is easy to paraphrase Suetonius's claim for Augustus Caesar:

"He so improved Ursinus College that he justly boasted that he found it deeply in debt and left it highly endowed."

The history of Ursinus College is richly enhanced by this man of uncommon energies, wisdom, and loyalty.

In 1983, the Bears football team achieved some satisfying victories and came very close to a winning season. Led by Gavin Lentz, the young team outshone all time rivals, Franklin and Marshall which resulted in an U.C. over F&M victory which hadn't occurred since 1965. The strong Ursinus defense held off the F&M defense to make this victory the peak of the season. The Bears also pounced on league champions, Muhlenberg, and defeated them 17-9. During the season, a record was broken by Billy Scanlon when the ball flew 129 yards to make Ursinus football history. The team finished the season with a record which improved on that of the previous year.

With a year of rebuilding behind them, the experienced Ursinus hockey team played their way right to the ECAC Championship. Two players were lost but were adequately replaced by a few fast playing freshmen. The team was captained by goalie Margaret Olmedo and midfielder Bernie Powell. Theresa DeVincent led the team in total goals and assists with freshmen Heather Palvinsky and Beth Bingaman close to her tail. The skillful team closed their season with a 14-3-3 record and were on top of the ECAC championship after three ten minute overtimes with their final opponents from Southeastern University.

The Bears closed out the 1983 season with an outstanding 14-5 mark, setting five seasonal records in the process. The records broken included the winningest season, most shutouts, most goals scored in a season, and least goals scored by opponents. The team had the second best overall record in the PA-MD-NJ area and missed getting a NCAA bid by 1 goal. The team did however manage to sieze the ECAC Southern Regional Championship and then traveled to King's Point, NJ where they defeated Salem State and Rochester University to capture the 1st ECAC Championship in the history of Ursinus soccer. A major factor contributing to the Bear's success was the outstanding offense led by Jamie Moyer. Senior co-captains Tim Howard and Tom Savage were named all-MAC South and all-MAC South-Second team, respectively.

The Cross Country team faced a tough season in 1983. The team made fair showings at their invitational meets and completed their season with a 4-2 record, but were unable to finish as well as they previously had hoped.

1983 was not a recruiting year for the Bears. Many upperclassmen were able to develop their skills while others fell victim to injuries. Senior co-captain Neil Brown was able to take 4th in the MAC Championships and qualify for WCAA Division III Nationals. The team, led by Coach Symonds, is looking ahead to a successful 1984 season.

This year the girls volleyball team faced a disappointing season. Junior co-captains Nancy Paul and Jenny Foresta led the team of four returning players and four rookies. A notable match was when three straight games were won to defeat Cabrini College. The team is young and has the potential for a winning season in the future.

The 83-84 season marked the 7th and final campaign for Head Coach Skip Wherly. The season was below expectations as the Bears finished with a record of 8-17. However, there were many bright spots and excellent performances turned in by several players. Sophomore center Jim Collins had an outstanding year and was named to the first team MAC-South. Seniors Thoma and Donahue ended their careers in an Ursinus uniform. Each had three excellent varsity seasons and will be hard to replace. The future of the team looks bright under new Head Coach Gerry Gasser.

The women's basketball team showed drive and enthusiasm throughout their 1984 season. Despite their small size, the team, led by Captain Janine Taylor, displayed unity and determination when they surpassed the previous year's record. With only four returning seniors, the team lacked the experience. However, the girls hope to improve their record once again which could result in a winning season.

SWIMMING

The girl's swimming team achieved a fantastic season. They finished the year with a 10-2-1 season which was the best for the girl's ever at Ursinus. This year the team was very close-knit. Their spirit and tremendous effort led to their outstanding performance. The girls were captained by Debbie Clough and Meg Early who brought unity to the team and made the six months of toil seem worthwhile at the finish of the season.

The Ursinus Men's swimming team completed a successful six month season ending with a record of 8-3-1, which is the finest record in the history of Ursinus swimming. The season terminated with the MAC Championships at Widener University. At this tournament Ursinus had an impressive showing. Eleven out of a possible nineteen team records were smashed and every swimmer experienced at least one personal best. Coach Bob Sierachi concluded that this year's team is the best that he has ever coached.

DIVING

The 1984 Diving season was outstanding. Although the team was uncoached partly throughout the year, they were able to put forth a great deal of effort in making themselves work their hardest. Injuries early in the season also held back the diving team. Junior Meg Early received first place at the MAC Diving Championships and qualified for the Nationals. The team hopes to continue their success in next years diving season.

The 1983-84 Ursinus Men's and Women's Badminton teams experienced very successful seasons. Under the direction of first year Coach Peg Sausen the team achieved a record of 6-5 and competed successfully in three regional tournaments in Lancaster, Bryn Mawr and Williamsburg, Va. The girls team was honored with a plaque at the PAIAW Badminton Championships at Bryn Mawr College as they captured the small college division title. The team concluded its season with its annual jaunt down south to the College of William and Mary for a three day invitational at the school. Connie Bleiler lead the women's team assuming the number one singles position. Senior Damian Scialabba was the number one singles player capping off his final Ursinus Badminton season in style.

GYMNASTICS

The Ursinus Girl's Gymnastics team started their season with definite potential and throughout the year, each member achieved increasingly higher scores in their selected events. The 1984 team was small and somewhat inexperienced with only one senior, Captain Julie Strizki. Led by Head Coach Angela Morrison, the team exhibited poise and fine form in all of their competitions. Two gymnasts, Strizki and Rosenberg, managed to qualify for the ECAC Gymnastics Championships Division III at Salem State College. In Massachusetts Strizki participated in the all-around and Rosenberg was an alternate for the vaulting. Next year the team plans to build on their promising skills and attain a victorious 1985 season.

The Ursinus grapplers concluded a successful 1984 season by defeating 15 teams and yielding to only 2. The consistently hard working wrestlers contributed to the winning season. The team was anchored by Ralph Paolone, Dwayne Doyle, and Ron Wenk who finished each match with strong performances. The wrestling team exhibited an excellent showing at the MAC's at Muhlenberg. Five Ursinus males reached the semi-finals, and two, Doyle and Paolone, advanced to the NCAA Division III tournament. At the MAC's the team took fourth place, the highest finish by Ursinus in the school's history. Ursinus Head Coach, Bill Rachich, was named "MAC Coach of the Year" at the end of the tournament. Next year's team promises to be just as strong, losing only one of this year's place winners.

The Ursinus Batsmen combined speed with power in their 1984 action filled season. The team was fortunate enough to consist of many veteran players and a strong pitching staff. Outstanding pitcher, Bob Fooskas, led the Bears to many victories. Senior hitters Eddie Wheeler and Steve Pallone ended their careers with good performances. Although a few players will not be returning next year, the team still looks forward to a strong 1985 season.

1984 SOFTBALL

The combination of hard work and great ability led the girl's softball team to many victories. Spring training began early when the girls traveled to Florida with Coach Karen Marley to practice in the sun and gain experience by playing southern teams. With a MAC record of 9-

1, the girls were able to win the South Eastern Division of their conference and venture to the MAC tournament at Upsala College.

MEN'S LACROSSE

Although the men's lacrosse team is still not an official varsity sport, despite the campus-wide support it has received, the team had its best season in its history. The 1984 Laxmen finished a .500 record of 6-6.

Leaders on this year's team were Dave Frazier, Brian Dwyer, Bill Kramer, John Zerr, and Keith Wood. Although the team is losing many valuable seniors, including goalie Ed Hovick, hopes are still high for an even better record next year. The team would like to thank volunteer coaches Dick McGrath and Gary Johnson for their help. Also, thanks to Marie Campanella and Jane Hannan, managers.

Friends of the Ursinus Library

Congratulate the Class of 1984

Through annual dues, and gifts to the loyalty fund, friends of the Ursinus Library make possible the development of special collections, exhibits, and occasional lectures, individuals, as friends, interpret the Ursinus Library to their community and encourage gifts from others. Benefits to friends include free use of the library, a newsletter, and invitation to special events. Providing for the objective needs of the Ursinus Library is an important objective of the friends. In 1978, a permanent endowment called the Friends of the Library Fund was created in conjunction with the Alumni Loyalty Fund. Class of 1984 we invite you to join us.

GOOD LUCK!

May 20, 1984: The 113th Commencement

Nan K. Hong
Editor-in-Chief

Charles Jamison
RUBY Advisor

Sandra Risher
RUBY Secretary

Through many long anxious hours and a lot of help from my hard-working staff, I hope I have captured the true spirit of Ursinus College. The mood of our campus is reflected by the playful hearts of each individual and their firm commitments for their future. I know a part of the Ursinus spirit will never leave our graduating members who partake on a new challenge.

As the Editor-in-Chief, I would like to thank all those who made the **1984 RUBY** possible. Special thanks goes to Mrs. Risher who kept the cluttered **RUBY** together and to Mr. Jamison who shared half of my worries.

Nan K. Hong
